

## 2025 Harmony Day

Another successful Harmony Day was held at the school last week.

It was wonderful to see so many students wearing orange and all the families that supported the event by coming and having lunch with their children.

Also a big thankyou to the students from KBCHS for such a fantastic performance.

A total of \$440.00 was raised on the day and all monies received have been sent to our sister school (Dey Krahum PS) in Cambodia. Akun.

## Scholastic Book Fair

A big thankyou to all our families that supported the recent Bookfair.

We raised \$1191.00 towards Year 6 Camp.

## From the Principal

Last week on Harmony Day, we were privileged to have the Kalgoorlie-Boulder Community High School 'Kapa Haka' performers present cultural dances and songs. It was wonderful to see some faces of past students as part of the team, displaying how they have matured in being able to perform publicly. Congratulations to those students who received Harmony Day certificates. This recognized those who are: tolerant of children with differences, help other children, show friendship to classmates and are inclusive of others.

This Thursday we have our annual swimming carnival at Kambalda Pool for Years 3-6. We have 125 children participating with Year four students leading the charge on numbers, with 46 attending. I'm disappointed with the low turnout of Year Six students and would rather those who are capable, take part in all school events, whether you're good at it or ordinary.

Next week presents an opportunity to participate in another school-based program that might take some out of their comfort zone, with Humphreys Dance returning for Pre-Primary - Year 6 students.

In signing off for the fortnight, I'm pleased to report that student attendance has taken an uptick this year, rising from 87% last year, to over 91% this year. 90% is what we strive to attain for all students. I asked one of our teachers the other week "How can I support you in your role?" Her response was "Just get them here." And so we are... If you want to know what it looks like for your child, you can find your child's attendance rate for this year on the 'Compass' app. Here's what it looks like across the grades.

*David Roberts - Principal*

### 2025 - Semester 1 Collection

Breakdown	Attendance Rate %
KIN	86.0%
PPR	92.2%
Y01	92.3%
Y02	93.7%
Y03	90.1%
Y04	92.6%
Y05	90.9%
Y06	87.1%
Compulsory	91.3%

## SWIMMING CARNIVAL

**The Swimming Carnival for Year 3-6 is on this Thursday 27th March at the Kambalda Pool.**

**Following are some points to remember:**

- **There will not be an opportunity to change before the beginning of the carnival, so students will need to wear their bathers under their sports faction uniform.**
- **Students must remember to bring a towel, goggles (optional) and a dry uniform if required.**
- **Please label all students' items.**
- **Please do not use coloured hairspray or bring paper streamers to the carnival.**
- **Only students who are participating will be attending the carnival, all others will remain at school.**
- **Please ensure students are at school prior to 8.45am as students who arrive late will be left at school.**
- **Students must have their recess and lunch with them, they will NOT be able to purchase anything on the day. Please do not order lunch at the canteen if your child is attending the carnival.**

**Parents are welcome to attend but must remain in the spectator bays.**

## Faction Captain News

Last Wednesday we were lucky enough to have a Golf Incursion come to our school for us to have a go at Golf.

It was lots of fun and hope students enjoyed their sessions. Thank you to GolfWA and Healthways Crunch&Sip for making this possible. Don't forget that Kalgoorlie Golf Course offers Junior programs for anyone interested. (They also offer beginner programs for Adults too).

Don't forget that the Swimming Carnival is this Thursday 27th of March. Remember to pack goggles, water bottles, recess and lunch, bathers, towel and dry clothes. Good luck to everyone participating.
